TRCA was formed in November of 2016, as an affiliate of TCA.

Since its' inception, the affiliation has gained 26 members. The next goal is to grow to over 40 members and become an official TCA division.

Graduate students can join TCA and TRCA for only \$25.00 total! Graduate students in need of financial assistance with membership, can contact: Dr. Zanskas at: szanskas@memphis.edu

Professionals can add TRCA to their current TCA membership.

TRCA involvement and service.

TRCA continues to facilitate seminars for community professionals. We offer CRCC and NBCC C.E.'s at these events. TRCA continues involvement in the TCA's annual conference and the TCA's annual leadership development trainings. TRCA also works with WTCA, CSI, and other professional associations to advocate for our profession. We look forward to seeing you at our upcoming TRCA events.
